Selected Discussions

<p>Round Table Discussion Kori Sedmak Public Outreach Coordinator ksedmak@franklinswcd.org 614-486-9613</p>  <p>Franklin Soil and Water Conservation District <i>Creating Conservation Solutions for Over 70 Years</i></p> 	<ul style="list-style-type: none"> Franklin County Soil & Water Conservation Founded 1946 as a response to the Dust Bowl Ohio Water is cleaner now than during the Industrial Revolution Water pollution is contributed to trash, vehicles, and storm water run off More urban area = more storm water run off This team is involved with rebate programs for home rain barrels, education in the schools, construction site inspections Professional Development – they work with experts to come up with ideas to conserve and filter water Grant Programs – money is available for neighbors toward community gardens, Columbus Tree Assistance on private properties, Conservation Mini Grants, Community Backyards, get your applications ready! Tree leaves are free and make great mulch, they will breakdown and block weeds As the trees lose their leaves this fall, make sure to clean up your curb and along any water drains as leaf build up does create drainage issues as it moves through our water system.
